ANNUAL SCHEDULE

The Universities/Colleges must adopt at least 180 working days, i.e., there should be a minimum of 30 weeks of actual teaching in a 6-day week. Of the remaining period, 12 weeks may be devoted to admission and examination activities, and non-instructional days for co-curricular, sports, college day, etc., 8 weeks for vacations and 2 weeks may be attributed to various public holidays. If the University adopts a 5 day week pattern, then the number of weeks should be increased correspondingly to ensure equivalent of 30 weeks with a 6 day week.

In lieu of curtailment of vacation by 2 weeks, the university teachers may be credited with 1/3rd of the period of Earned Leave. However, colleges may have an option of a total vacation of 10 weeks in a year and no Earned Leave except when asked to work during the vacations for which, as in the case of University teachers, 1/3 of the period will be credited as Earned Leave.
